 - ii. While thirty (30) days is expressed as a minimum requirement for submission of an application under this Ordinance, all applicants for whom it is possible to submit an application under this Ordinance prior to an event shall do so, even if the application will be submitted within thirty (30) days of the event at issue. In such circumstances, the City will endeavor with all deliberate speed to process and make a decision on the application prior to the date of the event at issue. The foregoing notwithstanding, any spontaneous free speech activities must be preceded by at least twenty-four (24) hours advance notice to the City of Hamilton's Police Department. Nothing contained in this subsection shall be construed to limit, restrict, inhibit, reduce, or otherwise impact the right of the City or its authorities to enforce other local laws and/or the laws of the State of Alabama if such spontaneous speech activities violate said laws.

b. Action by City.

1. The City, via the City Administrator or its designees, shall take action upon the application by either approving or denying the permit no later than thirty (30) days (whenever possible) after receiving the complete application, such time being necessary to process the application and obtain needed input from affected local and state agencies. If no action is

taken by the City within thirty (30) days of the submission of a completed application, the permit is deemed to be granted.

2. Form of Action: The decision of the City shall be reflected on the face of the application itself in a space provided therefore. Any decision adverse of the applicant must be in writing and explain the reasons for denial. If the application is approved by the City, the City shall issue a permit to the applicant no later than thirty (30) days after the submission of a completed application, which permit shall state the nature of the activity authorized and shall bear the date of issuance and the signature of the City Administrator or its designee.

3. Authority to set sites, routes, schedules or cancel.

i. Where more than one permit is sought for the same date or where the proposed route would result in interference with the orderly and free flow of traffic, including pedestrian traffic and emergency vehicles, the City shall have authority to designate reasonable sites and/or routes and set time schedules for the beginning and ending where the activity fails to begin within a reasonable time after the time set for it to begin based on other activities for which permits have been granted or based on the unreasonable interference caused by such delay with the public welfare, peace, safety, health and good order.

ii. Where the parade or demonstration may impact traffic on a State Route, the Alabama Department of Transportation shall be notified of the potential impact, and input from the Alabama Department of Transportation shall be sought.

iii. Unless specifically stated otherwise in the permit, all demonstrations, rallies, spontaneous speech or other such activities shall take place at a specifically designated spot within the Hamilton Walking Track at the intersection of State Highway 17 and 6th Street SW.

4. Criteria for Approval. Unless one or more of the following situations or circumstances exists, the permit shall be granted:

citizens, such compelling interference to be expressly noted in the denial of the application;

- ii. the proposed activity will unreasonably disrupt the orderly flow of traffic, be it vehicular or pedestrian;
- iii. the proposed activity would create an endangerment to citizens of the City, such endangerment to be expressly noted in the denial of the application;
- iv. the application is incomplete or contains a material falsehood or misrepresentation;
- v. the City or one of its Authorities is sponsoring an event, or a permit has been granted to an earlier applicant, for the same time and place, and no reasonable accommodations can be made to provide for both activities which will not trigger one or more of the other reasons for denying a permit;
- vi. there is other compelling interference with the public welfare, peace, safety, health, and good order, such compelling interference to be expressly noted in the denial of the application.

- c. Restrictions relative to County Courthouse. In no event shall any individual, organization, or group of persons be permitted to bring signs, banners, posters, leaflets, handbills, or any other printed material of any size or shape containing any message intended to influence any judge, juror, witness, or other office in the discharge of his duty within one thousand (1000) feet of the County Courthouse, unless those materials are to be used in a Court of Law for the purpose of judicial proceedings or functions.
- d. Restrictions relative to Funeral Homes or Structures Housing a Funeral or Wake in progress. - b. Based upon review of the Application, the City may require that the Applicant be responsible for trash cleanup of affected areas littered during the activity for which a permit is sought, the provision of sufficient parking and storage areas for a large influx of motor vehicles occasioned by the permitted activity, provision of temporary toilet facilities, and other similar special and extraordinary items determined to be necessary for the permitted activity based upon the Application's contents. In no event shall the City require individuals, organizations or groups of persons to provide personnel for normal governmental functions, such as traffic control, police protection, or other expenses associated with the maintenance of public order outside of the event area allowed by the permit. Should additional security or safety needs, including personnel be required to ensure public order the permit may specify such requirements as the responsibility of the permittee. If additional requirements are placed on applicants in accordance with this subsection, and those requirements are not met despite assurances by the applicant, then failure to comply with the aforementioned requirements shall be grounds for revocation of the issued permit and/or denial of any subsequent permit requested by the applicant. The City shall be entitled to recover against the applicant the sums expended by the City for those extraordinary expenses agreed to but not provided by the applicant.
- c. Every applicant for a parade, demonstration, rally, road closing, or other such activity, for which primary attendance (that is, attendance primarily for said parade, demonstration, rally, road closing, or other such activity, and not attendance which is the result of another event) is reasonably expected to meet or exceed five thousand (5,000) persons, shall provide the City with a copy of the declarations page of the applicant's liability insurance in place to cover the event set forth in the permit application. For such events the City shall be added as a named insured for the event on the declarations page by the insurance carrier. - a. Right of appeal. Any applicant whose application for a permit under this article is denied may appeal such denial to the Mayor and City Council, which shall consider such appeal at the next regularly scheduled meeting following the receipt of the applicant's appeal.
- b. Consideration of appeal. The Mayor and City Council shall consider the appeal and require the City Administrator to

explain why the permit was denied. Unless the aforementioned explanation shows that the decision on the application was properly made in conformance with this Ordinance, the appeal shall be granted and the permit issued. The applicant shall have a right to be heard during this hearing, and shall have the rights to be represented by counsel. After hearing the appeal the Mayor and City Council shall state the reason for granting or denying the appeal in writing within five (5) days of the appeal hearing. This requirement shall not be construed to limit the power of the Mayor and Council to announce its decision at the conclusion of the appeal hearing, so long as the writing requirement is subsequently satisfied.

Section Nine. Violations and penalties.

Any person or organization convicted of a violation of the terms of this article shall be guilty of a misdemeanor and punished by a fine not to exceed \$500.00, or by confinement in the jail or correctional institution utilized by the City for a period of time not to exceed thirty days, or both, in the discretion of the Municipal Court Judge.

Section Thirteen. Effective Date.

This ordinance shall become effective upon adoption and publication.

SO ADOPTED by the City Council of Hamilton, Alabama, this 17TH day of October, 2011.
