New Bail Bond 'Filing Fee' June 21, 2012

Act 2012-535, effective June 21, 2012, creates the 'Bail Bond Filing Fee' as follows: **\$35.00** on each executed bond (Applies to all MISDEMEANOR cases and 'Serious Traffic Offenses' in Title 32-5A (DUI, BUI, Reckless Driving) and distribute as follows:

\$3.50 to the Municipal General Fund; \$15.75 to the "Municipal Court Judicial Administration Fund"(use the attached Monthly Reporting Form for Act 2012-235); and \$15.75 to the "Solicitor's Fund" in the county. NOTE that where multiple charges arise out of the same incident, the filing fee shall be assessed only on one charge.

Act 2012-535 provides the following procedure for the collection of this 'filing fee': the \$35.00 fee applies to the following types of bail: 1) cash; 2) personal recognizance; 3) signature bonds (including signature bonds on electronic traffic citations for 'serious traffic offenses' enumerated in Title 32, Chapter 5A, such as DUI, BUI and Reckless Driving, as well as personal recognizance and signature bonds on non-traffic citations); 4) appearance bonds, with or without surety; 5) a bond executed by a professional surety company or professional bail company using professional bondsmen; and 6) judicial public bail. (NOTE that no fee shall be assessed where the defendant is released on judicial public bail or a personal recognizance bond or a documented medical reason, but the fee shall be assessed at the issuance, reissuance or reinstatement of such bond).

The filing fee shall be collected by the official executing the bond at the time of execution or within two business days. Where an official **other than the court clerk** collects the fee, such official shall remit to the court clerk the fee attached to the executed bond within 30 days "or upon adjudication or conviction of the underlying offense, whichever occurs first": (NOTE that if the fee is not collected, documentation of nonpayment shall be attached to the executed bond within two business days, and the court clerks "may accept the payment of the fee" if the clerk has the executed bond, proof of nonpayment and the charging instrument in-hand). Please use attached form - Bail Bond Fee Transmittal Form pursuant to Act 2012-535. If the defendant is released on his or her own recognizance, judicial public bail, or a non-custodial non-traffic offense pursuant to Rule 20, Alabama Rules of Judicial Administration, the fee shall be assessed upon adjudication or when court costs and fees are assessed.

Persons responsible for paying the filing fee: Bondsmen, sureties, guaranties, or a person(s) signing as surety for the undertaking of bail (which may include the defendant). The court clerk shall provide notification of delinquency or failure to pay the filing fee to the prosecutor (or district attorney) within two days of the clerk's entry of the case or within two days of receipt of the executed bond where the case is pending, and the prosecutor (or district attorney) may, among other things, initiate contempt proceedings (the prosecutor shall notify persons responsible for the fee by U.S. Mail to the last known address and provide them 10 days to remit payment in full). If the surety is the defendant, and the prosecutor elects to file a contempt petition, the court shall set the contempt hearing on the defendant's next regularly scheduled court appearance and where the surety is not the defendant, the prosecutor (or district attorney) may file a contempt petition for a subsequent hearing. Upon a finding of contempt for the failure to pay the fee, any of the above mentioned persons shall be required to pay a fine of not less than five hundred dollars (\$500.00) in addition to the \$35.00 filing fee. NOTE that the municipal court clerk "shall provide a list to the prosecuting attorney and the district attorney every sixty days that shall include, but not be limited to, the name of every person who has failed to pay the fee, the municipal case number, and the name of the person signing as surety" (emphasis supplied). Where the district attorney initiates contempt proceedings in municipal court, 50% of the fine shall be distributed to the municipal general fund and 50% of the fine shall be distributed to the district attorney's Solicitor's fund.

Please note that the additional \$50 fine *will only apply* when the defendant is convicted of a domestic violence offense where a protection order issued *pursuant to the Protection from Abuse Act (Section 30-5-1 et seq.)* has been violated. In this regard, please use the new reporting form 'AOC ADECA 1' when distributing these fines to the "Domestic Violence Trust Fund" administered by ADECA (Alabama Department of Economic and Community Affairs").
