Councilman \_\_\_\_\_ introduced the following ordinance in writing:

ORDINANCE NO. 500

BE IT ORDAINED by the Mayor and City Council of the City of Hamilton, Alabama, as follows:

Section 1. **Findings.** The Mayor and City Council (herein together called the "Council") of the City of Hamilton, Alabama (herein called the "City") have found and ascertained and do hereby declare as follows:

(a) in order to pay the costs of constructing a new fire station in and for the City, the City has heretofore borrowed the principal sum of \$200,000 from SouthTrust Bank of Marion County, Hamilton, Alabama, and in evidence of the moneys so borrowed the City has executed and delivered its promissory note (herein called the "Promissory Note") to the said SouthTrust Bank of Marion County;

(b) in order to refund certain indebtedness of the City, the City has also heretofore issued and sold its General Obligation Refunding Warrants, Series 1988, dated December 1, 1988 (herein called the "Series 1988 Warrants"), originally issued in the aggregate principal amount of \$1,115,000 and now outstanding in the aggregate principal amount of \$1,020,000;

(c) it is necessary and desirable, and in the best interest of the City and its inhabitants for the City to refund the principal indebtedness evidenced by the Promissory Note so that the said indebtedness will come due over a period of years;

(d) it is also necessary and desirable, and in the best interest of the City and its inhabitants for the principal indebtedness that is evidenced by the Series 1988 Warrants to come due over a longer period of time than is presently scheduled, so that the City will realize a reduction in its annual debt service requirements in the immediate future; and

(e) in order to refund the principal indebtedness evidenced by the Promissory Note and the Series 1988 Warrants, it is therefore necessary and desirable for the City to borrow the principal sum of \$1,265,000, and in evidence of that borrowing to issue the Series 1992 Refunding Warrants hereinafter authorized.

The Promissory Note and the Series 1988 Warrants are hereby ratified in all respects, and the Promissory Note and the Series 1988 Warrants are hereby declared to be and to represent valid and subsisting general obligation indebtedness of the City.

**Section 4. Optional Redemption of Callable Series 1992 Refunding Warrants.** Those of the Series 1992 Refunding Warrants having stated maturities in 2003 and thereafter (herein called the "Callable Series 1992 Refunding Warrants") shall be subject to redemption and payment prior to their respective maturities at the option of the City, while it is not in default in payment of the principal of or the interest on any of the Callable Series 1992 Refunding Warrants, on November 1, 2002, and on any interest payment date thereafter, as a whole or in part (but if in part, in the inverse order of their principal maturity dates, but if less than all of the Series 1992 Refunding Warrants having a single principal maturity date are to be redeemed, then those having said single principal maturity date to be redeemed shall be selected by lot), at a redemption price, with respect to each Callable Series 1992 Refunding Warrant redeemed, equal to its par or face amount plus accrued interest to the date of redemption and the following premium (expressed as a percentage of the said par or face amount so redeemed):

If the date of redemption is in 2002	3%
If the date of redemption is in 2003	2-1/2%
If the date of redemption is in 2004	2%
If the date of redemption is in 2005	1-1/2%
If the date of redemption is in 2006	1%
If the date of redemption is in 2007	1/2%
If the date of redemption is in 2008 or thereafter	None

Any such redemption shall be effected in the following manner:

(a) The Council shall adopt a resolution calling for redemption on a stated date when they are by their terms subject to redemption Callable Series 1992 Refunding Warrants bearing stated numbers and in a stated aggregate principal amount and shall recite in such resolution that the City is not in

default in payment of the principal of or the interest on any of the Series 1992 Refunding Warrants.

(b) Not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption the City shall give notice, or shall cause the Bank on its behalf to give notice, of the redemption of such Callable Series 1992 Refunding Warrants by depositing into the United States registered or certified mail, addressed to the named payee of each Callable Series 1992 Refunding Warrant, at the address of such payee as the same appears on the registry books of the Bank pertaining to the Series 1992 Refunding Warrants, a notice which shall state the following: that Callable Series 1992 Refunding Warrants bearing stated numbers and in a stated aggregate principal amount have been called for redemption and will become due and payable at the applicable redemption price or prices on a specified redemption date, and that all interest thereon will cease after such redemption date. The payee of any Callable Series 1992 Refunding Warrant may waive the requirements of this subsection with respect to the Callable Series 1992 Refunding Warrant or Callable Series 1992 Refunding Warrants held by him or it without affecting the validity of the call for redemption of any other Callable Series 1992 Refunding Warrants.

(c) On or prior to the date fixed for redemption the City shall notify the Bank (or any other bank at which the Series 1992 Refunding Warrants are payable) of the City's compliance with the requirements of paragraphs (a) and (b) of this section and shall further make available at said bank the total redemption price of the Callable Series 1992 Refunding Warrants so called.

Upon compliance with the foregoing requirements on its part contained in this section, and if on the redemption date specified in said resolution and notice the City is not in default in payment of the principal of or the interest on any of the Series 1992 Refunding Warrants, the Callable Series 1992 Refunding Warrants so called for redemption shall become due and payable at the redemption price on the date fixed for redemption, and interest thereon shall thereafter cease. No bank at which the Series 1992 Refunding Warrants may at any time be payable shall be required to pay any interest maturing on the date fixed for redemption which is applicable to any Callable Series 1992 Refunding Warrant so called for redemption on that date unless the Callable Series 1992 Refunding Warrant to which such interest is applicable is presented for payment on such date; provided that in the event any such bank should pay any such interest without payment of the applicable Callable Series 1992 Refunding Warrant it shall not be liable to the holder of such applicable Callable Series 1992 Refunding Warrant or to the City or to anyone whomsoever.

**Section 5. General Obligation and Special Pledges.** The indebtedness evidenced and ordered paid by the Series 1992 Refunding Warrants is and shall be a general obligation of the City for payment of the principal of and the interest on which the full faith and credit of the City are hereby irrevocably pledged. In addition thereto, as security for payment of such principal and interest and as part of the contract whereunder the indebtedness evidenced by the Series 1992 Refunding Warrants is borrowed, the City hereby

irrevocably pledges for payment of such principal and interest, and hereby orders segregated and set aside for that purpose, so much as may be necessary therefor of the following:

(a) the revenues from the privilege license tax (the "Sales Tax Revenues") levied by the City on the privilege of selling tangible personal property at retail within the corporate limits of the City;

(b) the revenues from the occupational license fee (the "Occupational Tax Revenues") levied by the City on the gross compensation of individuals engaged in any trade, occupation or profession for work done or services rendered within the corporate limits of the City; and

(c) the revenues from the general municipal ad valorem tax (the "Ad Valorem Tax Revenues") authorized to be levied on all taxable property located within the corporate limits of the City by the Constitution of Alabama of 1901.

The pledge herein made is for the benefit of all the Series 1992 Refunding Warrants, pro rata and without preference of one over another; provided that while no default exists in payment of the principal of and the interest on the Series 1992 Refunding Warrants, such amount of the Sales Tax Revenues, the Occupational Tax Revenues and the Ad Valorem Tax Revenues that shall be necessary to meet the requirements set forth in Section 8 hereof shall be paid into the Series 1992 Refunding Warrant Fund created in Section 8 hereof, in order to provide for payment of the principal of and the interest on the Series 1992 Refunding Warrants when due. After so much of the Sales Tax Revenues, the Occupational Tax Revenues and the Ad Valorem Tax Revenues (which are herein together called the "Pledged Revenues") as shall be necessary to pay the principal of and the interest on the Series 1992 Refunding Warrants shall have been paid into the said Series 1992 Refunding Warrant Fund, any balance of the Pledged Revenues remaining while all payments hereinafter provided to be made into said Series 1992 Refunding Warrant Fund are current and no delinquency or deficit exists with respect thereto, may be used by the City for any lawful purpose.

The City hereby warrants and represents that other than its General Obligation Water System Warrants, Series 1992, dated November 1, 1992 (herein called the "Series 1992 Water System Warrants"), it has no outstanding securities payable out of or secured by a special pledge of any of the Pledged Revenues; and that upon the issuance of the Series 1992 Refunding Warrants, the aforesaid pledge for the benefit of the Series 1992 Refunding Warrants, except for any Additional Warrants that shall be hereafter issued by the City, will be prior and superior to any pledge and agreement respecting any Pledged Revenues that may be hereafter made for the benefit of or with respect to any securities which may be hereafter issued by the City or any contract which may be hereafter made by the City. The City agrees that to such extent, if any, as the Pledged Revenues available for payment of the principal of and the interest on the Series 1992 Refunding Warrants may not be sufficient to pay said principal and interest at their respective maturities, it will use for such purpose so much of the general revenues of the City derived from other sources and available for such purpose as, when added to the available, will be sufficient to pay at their respective maturities the principal of and the interest on the Series 1992 Refunding Warrants.

**Section 6. Reservation of Right to Issue Additional Warrants.** The City hereby reserves the right to issue, at any time and from time to time and for any lawful purpose or purposes, warrants or other evidences of indebtedness (herein called the "Additional Warrants"), without express limit as to aggregate principal amount, to be secured pro rata and on a parity with the Series 1992 Water System Warrants and the Series 1992 Refunding Warrants as regards the pledge of the Pledged Revenues herein made for the benefit of the Series 1992 Refunding Warrants, but only if there has been filed in the office of the City Clerk of the City a certificate of the Mayor and the City Treasurer of the City dated not less than thirty (30) days prior to the date of issuance of any Additional Warrants, stating that the Water System Revenues which have heretofore been pledged for the benefit of the Series 1992 Water System Warrants, as well as the Pledged Revenues, received by the City during the fiscal year of the City next preceding the said fiscal year during which any Additional Warrants are proposed to be issued was not less than one hundred twenty-five percent (125%) of the maximum principal and interest maturing during the then current or any subsequent fiscal year of the City with respect to the Series 1992 Water System Warrants, the Series 1992 Refunding Warrants, any Additional Warrants then outstanding, and the Additional Warrants proposed to be issued.

**Section 7. Series 1992 Refunding Warrant Fund.** There is hereby created a special trust fund designated the "Series 1992 Refunding Warrant Principal and Interest Fund" (herein called the "Series 1992 Refunding Warrant Fund"), which shall be maintained until the principal of and the interest on the Series 1992 Refunding Warrants shall have been paid in full. The City will pay or cause to be paid into the Series 1992 Refunding Warrant Fund the following:

(a) Promptly upon the sale of the Series 1992 Refunding Warrants, the City will pay into the Series 1992 Refunding Warrant Fund or cause to be paid therein the amounts required to be paid therein under the provisions of Section 21 hereof;

(b) On or before the last business day of November 1, 1992, and on or before the last business day of each succeeding calendar month thereafter until the principal of and the interest on the Series 1992 Refunding Warrants have been paid in full or until provision shall have been made for the payment thereof, the City will pay into the Series 1992 Refunding Warrant Fund an amount which, when added to the amounts on deposit in the Series 1992 Refunding Warrant Fund and available for that purpose, will be equal to one-sixth (1/6) of the semiannual installment of interest that will mature with respect to the Series 1992 Refunding Warrants on the then next succeeding interest payment date plus one-twelfth (1/12) of the installment of principal that will mature with respect to the Series 1992 Refunding Warrants on the then next ensuing November 1;

provided that there shall be credited against any amount required to be paid into the Series 1992 Refunding Warrant Fund any amount then held in the Series 1992 Refunding Warrant Fund, from whatever source derived (including, without limitation, interest earnings on amounts held in the Series 1992 Refunding Warrant Fund), but only to the extent that the

amount so held in the Series 1992 Refunding Warrant Fund does not itself consist of the proceeds of prior payments made pursuant to the provisions of clause (b) of this sentence and has not theretofore been credited against a previously due payment into the Series 1992 Refunding Warrant Fund pursuant to the provisions of this section.

To such extent, if any, as the Pledged Revenues available for such purpose shall not be sufficient to make any payment herein required to be made into the Series 1992 Refunding Warrant Fund, the City will make such payment from its other available funds, and it will in no event allow a default to occur in the payments into the Series 1992 Refunding Warrant Fund. The moneys in the Series 1992 Refunding Warrant Fund shall be used solely for payment of the principal of and the interest on the Series 1992 Refunding Warrants upon or after their respective maturities. Whenever there is on deposit in the Series 1992 Refunding Warrant Fund an amount equal to or in excess of the aggregate of the principal and interest thereafter coming due on the Series 1992 Refunding Warrants then outstanding, the City shall not be required to make any further payments therein except to make good any moneys therein that may become lost or otherwise unavailable for withdrawal. When all the Series 1992 Refunding Warrants have been retired and no principal or interest shall be outstanding with respect thereto, any moneys then remaining on deposit in the Series 1992 Refunding Warrant Fund shall be returned to the City.

**Section 8. Concerning the Series 1992 Refunding Warrant Fund.** The Bank is hereby designated as the custodian, depository and disbursing agent for the Series 1992 Refunding Warrant Fund. In the event that the Bank (or any successor depository for the Series 1992 Refunding Warrant Fund that may be hereafter designated as herein provided) should at any time decline to act as such depository, or should resign as such depository, or should cease to be a member of the Federal Deposit Insurance Corporation (or any agency of the United States of America that may succeed to its functions), or should cease to be duly qualified to do business within the State of Alabama, then the Council shall by resolution designate a successor to such depository; provided that any successor depository so designated shall be and remain a member of the Federal Deposit Insurance Corporation (or of any agency of the United States of America that may succeed to its functions) and shall be and remain duly qualified to do business in the State of Alabama. The moneys on deposit in the Series 1992 Refunding Warrant Fund shall constitute public funds impressed with a trust for the benefit of the City and the holders of the Series 1992 Refunding Warrants. The depository for the Series 1992 Refunding Warrant Fund shall at all times keep all moneys on deposit therein secured by pledging securities that are direct general obligations of the United States of America or securities with respect to which payment of the principal and interest is unconditionally guaranteed by the United States of America (any such securities being herein called "Federal Securities") having a market value at least equal to the amount on deposit therein, said pledge to be accomplished either

(a) by the deposit of such Federal Securities, in trust for the benefit of the City and the holders of the Series 1992 Refunding Warrants, with another bank or trust company, or

(b) by the deposit of such Federal Securities, in trust for the benefit of the City and the holders of the Series 1992 Refunding Warrants, with its own trust department, wholly separate and apart from its other assets;

provided however, that such depository shall not be required so to secure any portion of the moneys on deposit in the Series 1992 Refunding Warrant Fund that is insured by the Federal Deposit Insurance Corporation or by any agency of the United States of America that may succeed to its functions.

The Bank shall, to the extent practicable, cause all the moneys held in the Series 1992 Refunding Warrant Fund (exclusive of any amount held therein for payment of matured but unpaid Series 1992 Refunding Warrants, Series 1992 Refunding Warrants called for redemption but not yet redeemed and matured but unpaid interest) that will not be needed, during the then next ensuing ten days, for payment of any maturing installment of principal of or interest on the Series 1992 Refunding Warrants or for payment of the redemption price of any Series 1992 Refunding Warrant called for redemption, to be kept continuously invested in Federal Securities or in interest-bearing bank deposits having such stated maturities as will assure the availability of cash moneys necessary to provide for payment and redemption of the principal of and the interest on the Series 1992 Refunding Warrants, as such principal and interest respectively become due and payable (whether at maturity, upon earlier call for redemption or otherwise). Moneys held in the Series 1992 Refunding Warrant Fund shall not be invested to produce a yield (as the term "yield" is used in Regulations published by the United States Treasury pursuant to Section 148 of the Internal Revenue Code of 1986, or any predecessor or successor rule or regulation) greater than the yield on the Series 1992 Refunding Warrants. All Federal Securities or interest-bearing bank deposits in which any portion of the moneys in the Series 1992 Refunding Warrant Fund are invested, together with all income therefrom, shall become a part of the Series 1992 Refunding Warrant Fund.

In the event that at any time the moneys held in the Series 1992 Refunding Warrant Fund are sufficient to effect retirement of all the Series 1992 Refunding Warrants or in the event that at any time the total of the moneys held in the Series 1992 Refunding Warrant Fund equals or exceeds the aggregate principal of the Series 1992 Refunding Warrants then outstanding plus the aggregate interest thereon then due and to become due until the maturity thereof, then and in either of such events no further payments need thereafter be made into the Series 1992 Refunding Warrant Fund unless (i) further payments are needed to make good moneys paid therein that may have been lost for any reason whatsoever, or (ii) the Series 1992 Refunding Warrants thereafter become subject to redemption under any of the provisions hereof and further payments into the Series 1992 Refunding Warrant Fund are needed to effect such redemption.

**Section 9. Concerning the Sales Tax and the Occupational Tax.** The City agrees that so long as any of the principal of or the interest on the Series 1992 Refunding Warrants remains unpaid, it will:

(a) continue to levy and collect the aforesaid privilege license tax (which is herein called the "Sales Tax") (or a municipal tax substantially equivalent to the Sales Tax) at rates not less than those currently in effect and

upon the businesses and professions within the corporate limits of the City that are now subject thereto; provided that the City may hereafter modify the rates at which the Sales Tax is levied, and may exempt various activities therefrom, and the proceeds from various activities from the measure thereof, if the aggregate annual proceeds collected therefrom following any such modification or exemption shall not be less than the aggregate annual proceeds received therefrom during the fiscal year of the City that ended September 30, 1992;

(b) continue to levy and collect the aforesaid occupational license fee (which is herein called the "Occupational Tax") (or a municipal tax substantially equivalent to the Occupational Tax) at rates not less than those currently in effect and upon the activities within the corporate limits of the City that are now subject thereto; provided that the City may hereafter modify the rates at which the Occupational Tax is levied, and may exempt various activities therefrom, and the proceeds from various activities from the measure thereof, if the aggregate annual proceeds collected therefrom following any such modification or exemption shall not be less than the aggregate annual proceeds received therefrom during the fiscal year of the City that ended September 30, 1992;

(c) continue to levy and collect the Sales Tax (or a municipal tax substantially equivalent thereto) without reduction in the aggregate annual amount of the proceeds therefrom;

(d) continue to levy and collect the Occupational Tax (or a municipal tax substantially equivalent thereto) without reduction in the aggregate annual amount of the proceeds therefrom;

(e) make such increases, within reasonable limitations, in the rates of the Sales Tax (or in the event of the levy in lieu of the Sales Tax of a municipal tax substantially equivalent thereto, in the rates of such tax) as, when added to the other available revenues of the City, will provide moneys sufficient to pay at their respective maturities the principal of and the interest on the Series 1992 Refunding Warrants; and

(f) make such increases, within reasonable limitations, in the rates of the Occupational Tax (or in the event of the levy in lieu of the Occupational Tax of a municipal tax substantially equivalent thereto, in the rates of such tax) as, when added to the other available revenues of the City, will provide moneys sufficient to pay at their respective maturities the principal of and the interest on the Series 1992 Refunding Warrants; and

In the event the City levies, in lieu of the Sales Tax, any municipal tax substantially equivalent thereto, or in the event that the City levies, in lieu of the Occupational Tax, any municipal tax substantially equivalent thereto, all the provisions hereof respecting the Sales Tax or the Occupational Tax, as the case may be (including, without limitation, those provisions of Section 5 hereof regarding the special pledge of each thereof for the benefit of

the Series 1992 Refunding Warrants) shall be applicable, with the necessary changes in detail, to any tax or taxes.

Section 10. **Form of Series 1992 Refunding Warrants, Etc.** The Series 1992 Refunding Warrants, the Registration Certificate applicable thereto and the provisions for assignment thereof shall be in substantially the following forms, with appropriate insertions and variations therein to conform to the provisions hereof:
