

BE IT ORDAINED that, in accordance with State law, each household in Hamilton must subscribe to a garbage pick-up service unless they have a state approved land fill. Accordingly, each household will henceforth receive a monthly garbage bill and failure to pay such will result in a \$5.00 fine per month. Anyone who feels they have a qualified land fill should bring a copy of the State Health Department's approval of such to the City Hall.

Adopted this the 9th day of February, 1981.
