

R E S O L U T I O N

WHEREAS, the ^{town} ~~City~~ Council of the ~~City~~ City of Hamilton is desirous of having certain improvements made on PAS Route 1332 in accordance with plans prepared by the State Highway Department and designated as Project No 3-958 (4) from station 0+29.09, and described as extending from FAP Route 3 of Hamilton in a southwesterly direction along PAS Route 1332 to approximately 1.5 miles northeast of Detroit, Alabama or

to the point of ending at station 585+00 for a total distance of 58106.01 feet or 11.004 miles.

WHEREAS, the State Highway Department of Alabama is desirous of receiving Federal Aid for improvement of said highway; and

WHEREAS, the Bureau of Public Roads, an agency of the United States of America will not participate in the construction of said project until and unless the ^{town} ~~City~~ of Hamilton will agree to refrain from permitting encroachments upon the right of way and from passing ordinances or laws fixing a speed limit on said above mentioned project contrary to those limits indicated in Title 36, Code of Alabama 1940, as amended and until and unless the ^{town} ~~City~~ of Hamilton will agree to refrain from placing or permitting the placing of any informational, regulatory, or warning signs, signals, median crossovers, curb and pavement or other markings and traffic signals without written approval of the State Highway Department and the Bureau of Public Roads of the location, form and character of such installations, and until and unless the ^{town} ~~City~~ of Hamilton agrees to adopt, under the authority of Title 36, Section 48, Code of Alabama 1940, as amended by Section 48 of Act No. 517, General Acts of Alabama 1949, such traffic control devices as deemed necessary to promote the safe and efficient utilization of the highway and to enforce the same under the provisions of Section 58(36) and Section 51, Code of Alabama 1940, as amended by Act. No. 517, General Acts of Alabama 1949.

NOW, THEREFORE, be it resolved by the Town Council
of the ~~City~~ ^{Town} of Hamilton, that for and in consideration
of the Alabama State Highway Department and the Bureau of Public
Roads, an Agency of the United States of America, constructing said
Highway and routing traffic along the same through the ~~City~~ ^{Town} of
Hamilton over said Project, it hereby agrees with the
Alabama State Highway Department and the Bureau of Public Roads, an
Agency of the United States of America, that on the above mentioned
project it will not in the future permit encroachments upon the right
of way; nor will it pass any ordinances or laws fixing a speed limit
contrary to those limits provided for in Title 36, Code of Alabama
1940, as amended; nor permit other than parallel parking in areas
where parking is permitted; nor will it allow the placing of any
informational, regulatory, or warning signs, signals, curb and pave-
ment or other markings and traffic signals without written approval
of the State Highway Department and the Bureau of Public Roads of
the location, form and character of such installations. The traffic
control devices installed upon completion of this project, as indi-
cated on the traffic control diagram which is incorporated in the
plans assembly for said project and which is made a part of this
agreement, shall be in accordance with current accepted standards
adopted by the Highway Department of the State of Alabama and by
the Bureau of Public Roads. Subsequent traffic control devices
deemed necessary by the ~~City~~ ^{Town} to promote the safe and efficient
installation of the highway under the authority of Title 36, Section
48, Code of Alabama 1940 as amended by Act No. 517, General Acts of
Alabama 1945, shall have the approval of the Highway Department of
the State of Alabama and of the Bureau of Public Roads, and the
~~City~~ ^{Town} further agrees that it will enforce the same under the provisions
of Title 36, Section 58(36) and 51, Code of Alabama 1940 as amended
by Act No. 517, General Acts of Alabama 1949.

It is understood and agreed that no changes in this agreement
shall in the future be made without having obtained the prior approval
of the Bureau of Public Roads.
