

ORDINANCE NO. 422

As, from time to time, the city government of Hamilton is requested to assume ownership and maintenance of certain subdivision streets, be it ordained that said streets shall meet the standards proposed by Mr. E. L. Pearce on 11-24-1980. (See Attached). These streets shall meet the proposed subgrade, base, profile grade, and shoulder slopes recommended and shall have a right of way of 60 feet and a 26 foot roadbed. If after these standards are met, the city deems it desirable and in the city's best interest, maintenance and ownership of said streets will be undertaken by the city upon request by appropriate parties.

Done this 25th day of May, 1981.

Barbara Cartaino  
City Clerk

Murray C. Ballard  
Mayor
